

COVID-19 Pandemic Dental Treatment Consent Form

I understand the novel coronavirus, SARS-CoV-2, causes the disease known as COVID-19.
I understand the novel coronavirus virus has a long incubation period during which carriers of the virus may not show symptoms but may still be contagious.

I understand that some dental procedures create water and/or blood spray which is one way that the novel coronavirus may spread.

I understand that due to the frequency of visits of other dental patients, the characteristics of the novel coronavirus, and the characteristics of dental procedures, that I have an elevated risk of contracting the novel coronavirus simply by being in a dental office.

I confirm that I am not presenting any of the following symptoms of COVID-19 identified by Alberta Health Services:

- . Fever > 38°C
- New cough or worsening chronic cough
- Sore throat or painful swallowing
- New or worsening shortness of breath
- Difficulty Breathing
- Flu-like symptoms
- Runny Nose
- Loss of Taste or Smell

I confirm I know that there are categories of people who are considered to be high risk. I understand the high risk category factors are being 65 years of age or older, heart disease, lung disease, kidney disease, diabetes or any auto-immune disorder.

If I fall into any of the high risk categories, Dr. Jou and I will discuss the risks before proceeding with treatment.

I confirm that I am not currently positive for the novel coronavirus.

I confirm that I am not waiting for results of a laboratory test for the novel coronavirus.

I verify that I have not returned to Alberta from any country outside of Canada whether by car, air, bus or train in the past 14 days.

I understand that any travel from any country outside of Canada, including travel by car, air, bus or train, significantly increases my risk of contracting and transmitting the novel coronavirus. Alberta Health Services require self-isolation for 14 days from the date a person has returned to Canada.

I understand that Alberta Health Services has asked individuals to maintain physical distancing of at least 2 metres (6 feet) and it is not possible to maintain this distance and receive dental treatment.

I verify that I have not been identified as a contact of someone who has tested positive for novel coronavirus or been asked to self-isolate by Alberta Health, the Communicable Disease Control or any other governmental health agency.

I verify the information I have provided on this form is truthful and accurate. I knowingly and willingly consent to have dental treatment completed during the COVID-19 pandemic.

When arriving to the office, I will attest to having read and understood the COVID-19 Pandemic Dental Treatment Consent Form.
